

SchoolMessenger Contact Information Form

The Oneida City School District uses the SchoolMessenger calling system to keep parents and staff members informed. SchoolMessenger is a trusted platform to communicate on a mass scale for any school emergencies, school-related cancellations, or non-emergency community engagement events. The system works by delivering a pre-recorded telephone message, text message, or e-mail to contacts specified by parents and staff members.

List student(s) you would like to receive message for:
