

**ST. JOHN'S
UNIVERSITY**

NEW YORK | ROME | PARIS

**SEE WHAT AWAITS
FALL 2021**

HAPPY SESQUICENTENNIAL, ST. JOHN'S! This year, St. John's University celebrates 150 years. Since its founding in 1870, St. John's has built an enduring legacy that proudly embodies the Catholic, Vincentian, metropolitan, and global standards upon which the University was founded.

JOHNNIES KNOW THAT LIVING THE ST. JOHN'S TRADITION MEANS SHARING IN A UNIQUE AND PROFOUND LEGACY.

They make the most of every opportunity – both inside of and beyond the classroom – through their commitment to service, global exploration, academic excellence, and shared love for living and learning in the best college town we know, New York City.

FROM THEN TO NOW THE LEGACY CONTINUES

Non-Discrimination Statement

St. John's University does not discriminate on the basis of race, color, national origin, sex, disability, age, or any other characteristic protected by law in its programs and activities. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Keaton Wong, Director of Equal Opportunity and Compliance and Title IX Coordinator, Office of Human Resources, University Center, 8000 Utopia Parkway, Queens, NY 11439, 718-990-2660; wongk1@stjohns.edu.

Annual Security & Fire Safety Report

The University's Annual Security & Fire Safety Report (ASR), which contains three years of campus crime and fire safety statistics and campus security policy and procedures, is available online at www.stjohns.edu/safetyreport. Upon request, prospective students may obtain a paper copy of the ASR by contacting the Department of Public Safety at 718-990-1435.

To access key consumer disclosures required under the Higher Education Opportunity Act, visit www.stjohns.edu/Consumer.

Visit www.stjohns.edu/Compliance for the University's information and compliance policies.

FALL 2021 PROGRAMS

ACCOUNTING (BS) Q, SI: Holds AACSB International accreditation, which is held by less than 5% of accounting programs worldwide. Elite Accountancy Scholars Program.

ACTUARIAL SCIENCE (BS) M: Recognized by the Society of Actuaries as a Center of Actuarial Excellence. Requires stellar math skills but pays off with salary and placement rates.

ADMINISTRATIVE STUDIES (BS) Q, SI: Prepare for administrative and managerial jobs in today's technologically-oriented workplaces. Master writing, critical thinking, and software as it relates to business.

ADOLESCENT EDUCATION (BSED) Q, SI: Unique RISE program is recognized by the American Association of Colleges for Teacher Education (AACTE). Focus on Biology, English, Mathematics, Physics, Social Studies, or Spanish.

ADVERTISING COMMUNICATION (BS) Q, SI: Award-winning program offers Account Management or Creative track. Bureau of Labor Statistics reports continued growth, notably digital media, this year.

ANTHROPOLOGY (BA) Q: Receive unique and robust training in human behavior and multicultural diversity to successfully compete for a range of 21st century occupations.

ART HISTORY (BA) Q: Build strong connections from a university with prestigious and selective National Association of Schools of Art and Design (NASAD) accreditation. Engage in long-term research as an undergraduate.

ASIAN STUDIES (BA) Q: Dual degree opportunity with graduate degree in East Asian Studies, Business, Administration, or Accounting to earn bachelor's and master's in five years.

BIOLOGY (BS) Q: Gain solid foundation in theoretical and applied biology and do real research as an undergraduate. Multiple honor societies include Roger Bacon Scientific and Watson Pre-Health.

BIOMEDICAL SCIENCES (BS) Q: Rigorous and competitive program prepares students who wish to pursue medical or dental professions, bio-research professions, or advanced degree in a related field.

BUSINESS (BS) Q, SI, M: Vast NYC contact network, unique Executive-in-Residence Program, and \$3.6 million Student-Managed Investment Fund provide real-world, real-time experience.

BUSINESS ANALYTICS (BS) Q: Learn how to use a data-driven approach to solve business challenges. Interdisciplinary approach offers rigorous curriculum in business, data science, and management science.

CHEMISTRY (BS) Q: Choose from three available tracks: General, American Chemical Society Certification, or concentration in Biochemistry. Dual degree option available for this program.

CHILDHOOD EDUCATION (BSED) Q, SI: Unique RISE program is recognized by the American Association of Colleges for Teacher Education (AACTE). Fully accredited by the Teacher Education Accreditation Council (TEAC).

CLINICAL LABORATORY SCIENCES (BS) Q: Accredited by National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). Upperclassmen gain hands-on experience in the field at University-affiliated clinical sites.

COMMUNICATION ARTS (BS) Q, SI: Required courses include theory, production, media writing, media management, and aesthetics. Tracks include: Media Studies; Visual, Cultural, and Interactive Media; Media Ethics and Advocacy; Media Management.

COMPUTER SCIENCE (BS) Q: New state-of-the-art labs create an elevated experience. Select from concentrations: Business, Cyber Security Systems, Healthcare Informatics, or Networking and Communications.

COMPUTER SCIENCE (BS) SI: Students gain an edge by joining the Computer Science Society. Additional opportunities include Pi Mu Epsilon and Sigma Pi Sigma national honor societies.

CRIMINAL JUSTICE (BS) Q, SI: Prepare for a career in the public sector and all levels of government. Draws on guidance from The University's Criminal Justice Advisory Council and has option to specialize in Forensic Psychology.

CYBER SECURITY SYSTEMS (BS) Q: Study in the recently renovated, state-of-the-art Cyber Security Lab on the Queens campus. Option to focus on Business or Digital Forensics after enrollment.

ECONOMICS (BA) Q, SI: Build a broad liberal arts foundation and get introduced to economic and financial theories. Pursue a career in business, law, education, public policy, or graduate studies.

ECONOMICS (BS) Q: Go beyond theory and into practical application of discipline. Serve those in need while learning about micro-financing through St. John's student-managed GLOBE program.

ENGLISH (BA) Q, SI: Multiple dual degree options from which to choose. Stellar department events and internship opportunities, as well as award-winning Writing Center and Sigma Tau Delta

Honor Society.

ENTERPRISE REGULATION (BS) Q: Through a rigorous curriculum, students study business-related law and legal framework for successful business operation from business law faculty that consists of licensed attorneys.

ENVIRONMENTAL SCIENCE (BS) Q: Examines climate change, pollution, and sustainability with emphasis on natural sciences and mathematics. Students benefit from University's robust global study opportunities.

ENVIRONMENTAL SUSTAINABILITY AND DECISION-MAKING (BA) Q, SI: Examines climate change, pollution, and sustainability with emphasis on philosophical and theological perspectives. Students benefit from student-run organic garden.

FASHION STUDIES (BS) Q, SI: Examine the inner workings of the industry, as well as the business and ethical aspects of the industry. Many students volunteer during New York Fashion Week.

FINANCE (BS) Q, SI: Experience top-tier faculty, Financial Information Lab, Student Managed Investment Fund with \$3.6 million portfolio, or St. John's elite and unique Applied Finance Institute.

FINE ARTS (BFA) Q: Students become their best creatively and learn from a university with prestigious and selective National Association of Schools of Art and Design (NASAD) accreditation. Network with New York's elite art scene.

FRENCH (BA) Q: Multiple dual degree opportunities available. Students may participate in summer internship programs in France through Trans-Atlantic Student Internship Program (TASIP).

GLOBAL DEVELOPMENT AND SUSTAINABILITY (BA) Q: Learn to develop systemic solutions that promote

global solidarity. Choose Science or Social Science track. Benefit from Academic Service-Learning, study abroad, and internships.

GOVERNMENT AND POLITICS (BA) Q, SI: Navigate the political landscape to prepare for a career as a lawyer, political correspondent, educator or civic leader. Multiple dual degrees and honor societies available.

GRAPHIC DESIGN (BFA) Q: Accredited by National Association of Schools of Art and Design (NASAD). Enroll in semester-long internship and/or spend a semester producing a creative thesis for exhibition at Dorksy Gallery Curatorial Programs in Long Island City, NY.

HEALTH AND HUMAN SERVICES (BS) Q: Build strong foundation in theory and practice of health administration. Concentrate in Human Services or Health Services Administration. Benefit from required internships and networking with field-reputable agencies.

HEALTHCARE INFORMATICS (BS) Q: Combine computer science and healthcare expertise to develop, manage, and organize electronic medical record systems and examine related data.

HISTORY (BA) Q, SI: Connect the past with the present with an in-depth study of the world's major civilizations, cultures, and events. Gain access to the world through study abroad at St. John's locations in Rome, Paris, and Limerick.

HOMELAND SECURITY (BS) Q, SI: Students gain experience in new Homeland Security Lab on the Queens campus. A diverse and rigorous curriculum offers four tracks: Organizational Security, Emergency Management, Intelligence, and National Security.

HOSPITALITY MANAGEMENT (BS) Q, SI: Prepare for a career in all things tourism and hospitality with extensive connections in NYC and around the globe. Study abroad while earning credit through internship at major hospitality site in Rome or Paris.

ILLUSTRATION (BFA) Q: Students become their best creatively at a university with prestigious and selective National Association of Schools of Art and Design (NASAD) accreditation. Build networks in New York's art scene and intern with major players in design world.

INFORMATION TECHNOLOGY (BS) Q: Develop a broad skillset and opt to elect a concentration in Business, Networking & Telecommunications, Computer Security Systems, Cyber Forensics, Graphic Design, or Corporate Security.

INTERNATIONAL MANAGEMENT (BS) Q, M: This high-caliber program requires international experience that is acquired through experiential learning opportunities, such as Global Destination Courses, internships, study abroad, and the GLOBE micro-finance program.

ITALIAN (BA) Q: Students gain a leg-up for global studies with access to St. John's Rome campus, located just blocks from the Vatican. Multiple dual degree options are available.

JOURNALISM (BS) Q, SI: Benefit from internationally acclaimed faculty with extensive contacts in New York City's multi-faceted newspaper, magazine, broadcast, and communications industries. Numerous on-campus organizations, clubs, and honor societies available.

LEGAL STUDIES (BS) Q, SI: This American Bar Association-approved Paralegal Education Program prepares students for law school, graduate school, or employment in law-related fields. Multiple

dual degree options and student law organizations available on campus.

LIBERAL STUDIES (BA) Q, SI: Students take an interdisciplinary approach to humanities, social sciences, and sciences. Students may minor in administrative studies, business, computer science, criminal justice, and more.

MANAGEMENT (BS) Q, SI: Department's Human Resource courses fully align with curriculum requirements of the Society of Human Resources Management (SHRM), and vast opportunities outside of the classroom set students apart after graduation.

MARKETING (BS) Q, SI: Rigorous curriculum places strong focus on strategic planning, pricing, distribution, advertising, promotion, and cultural influences. Students become well-traveled and well-connected through study abroad and career services opportunities.

MATHEMATICAL PHYSICS (BS) Q: Gain research opportunities and professional development as an undergraduate. Multiple dual degree options and Sigma Pi Sigma Honor Society available on campus.

MATHEMATICS (BA) Q, SI: Gain the knowledge and skills that underlie mathematics. Topics include mathematical basis for computers, computer languages, and advanced concepts.

MATHEMATICS (BS) Q, SI: Build habits of thought needed for mastering the concepts in mathematics that are applicable to many fields, as well as advanced academic studies.

NETWORKING AND TELECOMMUNICATIONS (BS) Q: Students who complete this program will be ready to enter the workforce as qualified telecommunications and networking professionals, as well as be able to continue to build upon their knowledge as their careers progress.

PHARMACY (PharmD) Q: This program accredited by the Accreditation Council for Pharmacy Education offers a carefully designed curriculum that allows for students to study abroad and stay on track for graduation in six years.

PHILOSOPHY (BA) Q, SI: Philosophy is literally defined as the "love of wisdom," and students will submerge themselves in customary branches of epistemology, metaphysics, ethics, and logic, as well as explore many other fascinating offshoots.

PHOTOGRAPHY (BFA) Q: Receive technical and conceptual training in stellar program affiliated with the International Center of Photography (ICP) in NYC. Department has attained prestigious and selective National Association of Schools of Art and Design (NASAD) accreditation.

PHYSICAL SCIENCE (BS) Q: Students experience a flexible sequence that can include physics, chemistry, and mathematics. It is a desirable path for pre-medical and other pre-health professional studies.

PHYSICS (BS) Q: Recent graduates of the program moved on to advanced studies at Stanford, University of Pennsylvania, and fully-funded to Notre Dame. Multiple dual degree opportunities are available.

PSYCHOLOGY (BA) Q, SI: Program at St. John's sets itself apart with extensive research opportunities for undergraduates in the program. Multiple dual degree options and numerous related organizations are also available on campus.

PUBLIC ADMINISTRATION AND PUBLIC SERVICE (BA) Q: The program focuses on the political science discipline's four main subfields of American Government, International Relations, Political Theory, and Public Administration.

PUBLIC RELATIONS (BS) Q, SI: Learn from acclaimed faculty and extensive NYC connections. Extracurricular opportunities include PRSSA, Ad Club, Marketing Club, WSJU-Radio, WRED TV Club, student newspapers and more.

RADIOLOGIC SCIENCES (BS) Q: Radiologic technicians work in medical centers, hospitals, clinics, urgent care centers, and physicians' offices. Curriculum includes general radiology and magnetic resonance imaging.

RHETORIC AND PUBLIC ADDRESS (BA) Q, SI: Master the skills and experience that can be applied to numerous careers, including law, education, business, religious vocations, media, public service and more.

RISK MANAGEMENT AND INSURANCE (BS) M: Program earned second place among fifteen best undergraduate programs in the field nationwide. Learn how to assess and control threats to an organization's capital and earnings.

SOCIAL STUDIES (BA) SI: Interdisciplinary approach allows students to broaden their cultural horizons and historical perspectives while honing analytical skills necessary for a variety of viable careers. Amazing study abroad opportunities available.

SOCIOLOGY (BA) Q, SI: Gain a solid understanding of social dynamics and their impact on human relations in communities, organizations, and on a global scale. Multiple dual degree options available.

SPANISH (BA) Q: Students are encouraged to participate in summer study abroad opportunities in Europe and South America, where they can master linguistic, cultural, and social skills. Dual degree options are available.

SPEECH LANGUAGE PATHOLOGY AND AUDIOLOGY (BA) Q, SI: All staff pathologists and audiologists are certified by the American Speech-Language Hearing Association, and students gain field work at St. John's acclaimed Speech and Hearing Center.

SPORT MANAGEMENT (BS) Q, SI: Internships are required to earn a degree, and students can choose from Coaching or Business track. Program-specific study abroad and student exchange programs are available.

TELEVISION AND FILM (BS) Q, SI: Gain direct experience in the state-of-the-art broadcast studio and post production labs on the Queens campus. Courses such as animation, motion graphics, special effects, green screen, and other cutting-edge technologies. Benefit from extensive NYC connections.

THEOLOGY (BA) Q, SI: Dual degree option is available. Students delve into various faith perspectives and nationalities. Gain experience through multiple faith and service opportunities on campus and around the globe.

TOXICOLOGY (BS) Q: Carve an ideal pathway to medical, dental, and research careers by learning research and applied aspects of biomedical, analytical, occupational, and environmental toxicology.

FALL 2021 FRESHMAN APPLICATION DEADLINES

St. John's University offers several application plans through which undergraduate applicants may apply for admission. Students are expected to provide a completed application, as well as all required credentials by the application plan deadline selected, although the Office of Admission recognizes that it may not always be possible for official scores to be received on or before the deadline. Standardized test scores should be received within two weeks of the application plan deadline selected. Students may elect to apply test-optional for most programs. Learn more at www.stjohns.edu/TestOptional.

St. John's offers a no-fee online application. Students can apply at commonapp.org or www.stjohns.edu/PriorityApp. Application requirements may vary by program. For a complete list of application requirements, visit www.stjohns.edu/deadlines.
