Minutes

1. Updates from building committees on implementation of Shared Decision Making (SDM)
 - HS shared that they have not met yet but will be determining who will be on the committee on November 18.
 - DV shared that they have had assemblies, gratitude graffiti, awards, food drive, sound the alarm challenge, and a family engagement night.
 - NB shared that the student advisory is meeting and is advocating for spoons & forks rather than sporks. The parents are looking at ways to fundraise for a playground.
 - WP shared that the building had a Halloween parade.
 - SS shared that they are working on creating a purpose/vision for their building.
2. We discussed keeping a running list of ways to engage parents. Here is what we brainstormed so far:
 - Walking field trips to community locations
 - Community readers in schools
 - Family engagement night and offer food as an incentive to attend
 - Guest speakers to talk about professions
 - Hobbies, Interests, and Professions (HIP) day at elementary
 - Hype up the events
 - Survey on how they would like to be involved
3. We discussed SRO responsibilities because it is required to have a parent group review the responsibilities. The committee was okay with keeping the responsibilities as is.
4. Other- Mrs. Zehr asked the committee to offer input about how we share our attendance data. The committee discussed the following ideas: social media, website, & parent newsletters.
